FBCCI and Bangladesh Bank Commits to Work together to Reign in Inflation & Stabilize Forex Market

A high-level business delegation of the country, led by FBCCI President Mr. Mahbubul Alam, paid a courtesy call on the Governor of Bangladesh Bank Mr. Abdur Rouf Talukder on May 16, 2024, at the Central Bank's Head Office in Motijheel, Dhaka.

FBCCI chief Mr. Mahbubul Alam raised a range of issues on behalf of the business community during the meeting.

He highlighted in his statement that due to the dollar rate increase from Tk 85 to Tk 110-117, businesses and entrepreneurs are suffering significant financial losses. They are facing challenges in the intensely competitive global market.

He said, "The cost of raw materials, ingredients, and machinery has increased significantly, along with transportation costs, which has greatly pushed production costs and thus, the cost of business operations.

"Additionally, a low demand

for products in the international market is also posing challenges to our industrial and export sectors."

The business leader added that due to the long-term effects of Covid-19 pandemic, the Russia-Ukraine war, and the resulting global economic downturn, local industries are severely damaged by internal inflation and increased costs in gas, electricity, and transportation.

Former FBCCI president Mr. Jashim Uddin Discussed about the interest rate, exchange rate, and the losses due to the exchange rate.

BGMEA President SM Mannan Kochi said many entrepreneurs outside the economic zones have invested tens of millions and so a request has been made to suspend the Bangladesh Bank's order that no industrial factories can be established outside the economic zones.

During the meeting, the Governor of Bangladesh Bank attentively listen the talking

points from businessmen. He reiterated central bank's commitment to work together with private sector for bolstering the economic growth of the country.

Seminar on 'Business-Related Barriers and Possible Way-out' held at FBCCI

The present Government has been working tirelessly to ease business for the Micro, Small, and Medium Enterprises (MSMEs), aiming to enable small and medium entrepreneurs to conduct business and trade without facing any barriers. The State Minister for Commerce Ahasanul Islam Titu opined this during a seminar held on May 14, 2024 at FBCCI Icon in the capital. The seminar was jointly organized by FBCCI, CPD and GIZ Bangladesh.

While delivering his speech as the Chief Guest, the State Minister for Commerce Mr. Ahasanul Islam Titu said that the government is working to simplify the process so that

small traders can operate their business without facing any hurdles. He stressed the responsibility to ensure successful and smooth business ventures and highlighted the government's focus on creating market access opportunities for traders.

Earlier, while delivering his speech, FBCCI president Mr. Mahbubul Alam said that Bangladesh has a special opportunity to establish itself as the business hub of the South Asia and ASEAN region. Bangladesh now has a domestic market of 170 million, and eventually the country will become the ninth largest consumer market in the

world by 2030. As a result, both local and international investors are now looking for opportunities to set up their businesses in the country. So, it is high time for the Government to make the process smooth and business friendly, added FBCCI President.

While speaking as the special guest, the Executive Chairman of BIDA Mr. Lokman Hossain Miah said that BIDA is working diligently to ensure a business-friendly environment in the country. Meanwhile, investors are getting more than 150 services of 38 agencies under one umbrella through the One Stop Service of BIDA.

The Deputy Head of Mission of the German Embassy in Dhaka, Mr. Jan Janowski, spoke as an guest of honor at the seminar. He expressed the hope that German investment would come here, highlighting the advantages and possibilities of investment in Bangladesh.

FBCCI panel advisor and the research director of the Center for Policy Dialogue (CPD) Dr. Khondaker Golam Moazzem presented the main article in the seminar. His article

suggests a rapid reduction in the length and complexity of obtaining and renewing licenses for entrepreneurs while starting a business. To eliminate the complexity of renewing the certificate every year, he urged the Govt. to take the initiative of giving the certificate for a period of three to five years. Dr. Khondaker Golam Moazzem emphasized on making the licensing process completely digital to reduce the sufferings of the entrepreneurs.

FBCCI Senior Vice President Mr. Md. Amin Helaly conveyed the vote of thanks at the program.
